Dear Parents / Carers,

Mission Statement and Vision

Welcome back to the second half of the Autumn term, I hope you had a lovely half term break. Thank you to everyone who responded to our recent Forms questionnaire regarding our school mission statement.

We are now delighted to share with you our new school Mission Statement and what this will look like in practice. This has been created in collaboration with our pupils, staff, governors and parents / carers to ensure that we have a shared purpose to achieve the very best for our pupils.

Mission Statement:

Nurture, Inspire, Believe, Achieve

Meithrin, Ysbrydoli, Credu, Cyflawni

(You will notice that our school badge has been up-dated to reflect this).

Vision Principles:

The four words that make up our Mission Statement are expanded further in our vision principles that create the foundation for our strategic direction and aspirations for the future.

At Rumney Primary School, we are committed to:

Creating a nurturing environment where pupils' wellbeing is at the heart of all we do. We are committed to creating a happy and inclusive environment where we develop pupils' curious minds; where pupils are well supported to develop resilience, to flourish and thrive.

Inspiring a passion for learning. All members of our school are committed to developing learning capacity so that they will understand and challenge themselves as learners. We will deliver an inspiring and exciting curriculum which will empower children to explore, discover, investigate ideas and become highly motivated to ask questions and learn.

Developing a culture where pupils believe in their own abilities; where they can take risks and challenge themselves to become better. Our aim is to develop the self-confidence and self-esteem of each learner so that they can lead their own

learning and understand that with dedication and commitment that anything is possible.

Celebrating the achievements of all. Through developing relationships of mutual trust and support, pupils will be encouraged to have high aspirations. They will be challenged to reach their potential and be the very best they can be, celebrating achievement and progress.

Our School Values

We also consulted on what values are important to us at Rumney Primary School and which we wish to instil in our pupils. We selected the twelve most popular, as voted by all our stakeholders. We shall focus on one value per half term within our assemblies and will work on a two-year cycle.

| Cycle A | Cycle B |
|----------------|----------------|
| Respect | Trust |
| Courage | Compassion |
| Happiness | Thankfulness |
| Co-operation | Forgiveness |
| Fairness | Honesty |
| Responsibility | Creativity |

School Characters

Our School Council have also been busy, creating school characters. Having looked at the new curriculum and its aim for the pupils of Wales, they came up with four character traits that they wish all our pupils to develop by the time they leave Rumney Primary School which will equip them as they move into high school and beyond.

Having decided on these traits, the School Council later worked with an artist to bring these to life, being very articulate about the detail in each character to represent the pupils in our school. The characters are:

Many thanks,

Mrs E. Williams
