Communication	
Arbor	Please note that this will be a new form of communication that will be used by the school from September 2026. This will replace Schoop and Teachers2Parents and is more secure as it is linked with your child's enrolment at the school. This is a free parent app and you will receive log in details from the school office to enable you to access this. Messages are linked to an email, so please ensure to check your emails on a regular basis too. Due to increase security, all letters, including notifications of educational visits will be shared via Arbor. Paper copies will also be sent home of trip letters to be signed and returned to school.
<u>ParentPay</u> (for meals and trips)	This is a web-based platform used for payment of all school trips and activities as well as booking school meals. Please note that teachers are not able to book school meals for your child. All school meals should be booked by 7.30am at the latest. You should contact the office if you have any issues in doing so. You will receive log in details when your child starts school with us.
<u>Additional Learning Needs Coordinator</u>	Our additional learning needs coordinator for the school is Mrs Kilpatrick and her email is Kilpatrickj5@hwbcymru.net . Parents and carers of pupils with any additional needs or have any concerns can contact Mrs Kilpatrick using this email. All other school based queries need to be sent to the school email above.
